

Enjoy! Kinderopvang

Dear Parents,

The lockdown announced yesterday creates a similar situation to last spring. Childcare, both day care and after school care, will only be open for children with parents in a vital profession from tomorrow December 16 until at least January 17

This means that from tomorrow we will not see many children for the next 5 weeks, which we naturally find very sad.

Attached you will find an overview which clearly indicates which children we may welcome during the lockdown.

Below are some important points:

- If you want to make use of the emergency shelter (this is only possible on the contract days), we ask you to register your child (ren) via info@enjoy-amstelveen.nl **before Thursday 17 December 12.00 noon** so that we can plan properly.
- After School is open after school until 6.30pm. We pick up the children from school. An exception to this is the first week of the Christmas holidays. Then the children can be brought by the parents from 8.30 am.
- Daycare is open between 08:00 and 18:30
- Our annual closure is between December 28th and January 2nd
- From 4 January, the mentors of the children will occasionally check in how the children who have to stay at home are doing.

If you have any questions, do not hesitate to ask them via info@enjoy-amstelveen.nl

For now, despite the measures, I wish you a very Merry Christmas and we toast to a beautiful and hopefully corona free 2021!

Sincerely,

Danny Schouten
